HARTVIG KLOSTER VISITING FROM OAC NORWAY JOINS DAVID AND USES A ROPE ILLUSTRATION IN THIS MEETING TO SHARE THE GOSPEL MESSAGE

It is with great joy to report that after four years of prayer and work in Sweden, David Sundell has felt led to establish the ministry of OAC in Sweden. We have had good contact with David and believe that he is the right man to build up OAC in this part of Europe. He began as the full-time national director and evangelist for this country in January 2020. OAC Norway is supporting this new extension of our ministry in Scandinavia.

DAVID SUNDELL

Here is a short introduction from David. "My name is David Sundell. I grew up in a city in the south of Sweden called Värnamo. In 2013, I moved to live in the

idyllic city of Söderköping which is located in the province of Östergötland. During this time in

Söderköping, I have been active in a church plant called Lifechurch, in which I am ministering as one of the leaders. I have a great interest in going on mission trips, and so far, I have been in Ukraine, Guinea, Thailand, and India.

WHAT A BLESSING IT IS WHEN THE BODY OF CHRIST COMES TOGETHER AND WORKS AS A TEAM SHARING CHRIST IN THE OPEN AIR.

I came into contact with OAC in an evangelistic weekend in the fall of 2018, the name was Uppdraget (the mission), and at that time it was in a place called Smögen close to Gothenburg. At that time, I met Harvtig, who works for OAC in Norway. Since that time, we have been in contact with each other, and later on, I have felt called into the work to start OAC in Sweden."
